Dear James and Rebecca Mizener:

Occasionally a Soldier's considerable and unselfish contributions to the United States Army and his country are of the degree that warrants special recognition. Private First Class Jesse Douglas Mizener was a Soldier of that magnitude.

As approved by the Maneuver Center of Excellence Commanding General, the Directorate of Logistics will name the recently constructed Wheel and Track Sustainment Facility at Fort Benning, Georgia, in honor of PFC Mizener.

It will be a privilege to have you and your family participate in the memorialization and dedication ceremony at Fort Benning, Georgia, on July 27, 2011. Please confirm your attendance and arrangements for your family to travel to Fort Benning for the ceremony to the contact person listed below.

Please respond to Mr. Bruce Cleveland at (706) 545-0167.

Sincerely,

A handwritten signature in black ink that reads "David T. Shepherd".
